1. Aims

We are ambitious for all our students and recognise the direct correlation between good attendance and achieving positive outcomes. It is recognised that attending school regularly can be a protective factor for children and young people. It is important that we offer a safe environment, positive relationships, high quality teaching and learning opportunities to develop social and emotional skills.

This policy aims to show our commitment to meeting our obligations with regards to school attendance, including those laid out in the Department for Education's (DfE's) statutory guidance on [working together to improve school attendance \(applies from 19 August 2024\)](#), through our whole-school culture and ethos that values good attendance, including:

- Setting high expectations for the attendance and punctuality of all pupils
- Promoting good attendance and the benefits of good attendance
- Reducing absence, including persistent and severe absence
- Ensuring every pupil has access to the full-time education to which they are entitled
- Acting early to address patterns of absence
- Building strong relationships with families to make sure pupils have the support in place to attend school

We will also promote and support punctuality in attending lessons.

2. Legislation and guidance

This policy is based on the Department for Education's (DfE's) statutory guidance on [working together to improve school attendance \(applies from 19 August 2024\)](#) and [school attendance parental responsibility measures](#). The guidance is based on the following pieces of legislation, which set out the legal powers and duties that govern school attendance:

- Part 6 of the [Education Act 1996](#)
- Part 3 of the [Education Act 2002](#)
- Part 7 of the [Education and Inspections Act 2006](#)
- [The Education \(Pupil Registration\) \(England\) Regulations 2006 \(and 2010, 2011, 2013, and 2016 amendments\)](#)
- [The School Attendance \(Pupil Registration\) \(England\) Regulations 2024](#)

School admin staff will:

- Take calls from parents/carers about absence on a day-to-day basis and record it on the school system
- Transfer calls from parents/carers to the head of year / pastoral lead where appropriate, in order to provide them with more detailed support on attendance

Attendance Policy

3.7 Parents

Where this policy refers to a parent, it refers to the adult the school and/or local authority decides is most appropriate to work with, including:

- All natural parents, whether they are married or not
- All those who have parental responsibility for a child or young person
- Those who have day-to-day responsibility for the child (i.e. lives with and looks after them)

Parents are expected to:

- Make sure their child attends every on time
- Call the school to report their child's absence before 9am on the day of the absence and each subsequent day of absence), and advise when they are expected to return
- Provide the school with more than 1 emergency contact number for their child
- Ensure that, where possible, appointments for their child are made outside of the school day
- Adhere to any attendance contracts that they make with the school and/or local authority

3.8 Children

Children are expected to:

- Attend school every day, on time
- Attend every timetabled session, on time
- Call the school to report their absence before 9am on the day of the absence and each subsequent day of absence

4. Recording attendance

4.1 Attendance register

We will keep an electronic attendance register and place all pupils onto this register.

We will take our attendance register at the start of the first session of each school day and once during the second session. It will mark, using the appropriate national attendance and absence codes from the School Attendance (Pupil Registration) (England) Regulations 2024, whether every pupil is:

- Present
- Attending an approved off-site educational activity
- Absent
- Unable to attend due to exceptional circumstances

Any amendment to the attendance register will include:

- The original entry
- The amended entry
- The reason for the amendment
- The date on which the amendment was made
- The name and position of the person who made the amendment

Attendance Policy

See Appendix I for the DfE attendance codes.

We will also record:

- Whether the absence is authorised or not
- The nature of the activity, where a pupil is attending an approved educational activity
- The nature of circumstances, where a pupil is unable to attend due to exceptional circumstances

We will keep every entry on the attendance register for 6 years after the date on which the entry was made. The school day starts at 8:45am and ends at 3:15pm (Monday / Thursday / Friday) and 4pm (Tuesday and Wednesday).

Children must arrive in school by 8:40am on each school day.

The register for the first session will be taken at 8:45am and will be kept open until 9:15am. The register for the second session will be taken at 1:30pm and will be kept open until 1:40pm.

4.2 Unplanned absence

The pupil's parent must notify the school of the reason for the absence on the first day of an unplanned absence by 9am, or as soon as practically possible, by calling the school attendance line, which can be contacted via telephone number 01384 686 900 Option 1 or email: attendanceofficer@kinverhigh.co.uk

We will mark absence due to physical or mental illness as authorised unless the school has a genuine concern about the authenticity of the illness.

Where the absence is longer than 5 days, or there are doubts about the authenticity of the illness, the school will ask for medical evidence, such as a doctor's note, prescription, appointment card or other appropriate form of evidence. We will not ask for medical evidence unnecessarily.

If the school is not satisfied about the authenticity of the illness, the absence will be recorded as unauthorised, and parents will be notified of this in advance.

4.3 Planned absence

Attending a medical or dental appointment will be counted as authorised as long as the pupil's parent notifies the school in advance of the appointment. Parents can request a leave of absence by completing a leave of absence form which must be submitted at least 14 days prior to the leave of absence.

However, we encourage parents to make medical and dental appointments out of school hours where possible. Where this is not possible, the pupil should be out of school for the minimum amount of time necessary.

The pupil's parent must also apply for other types of term-time absence as far in advance as possible of the requested absence. Go to section 5 to find out which term-time absences the school can authorise.

4.4 Lateness and punctuality

A pupil who arrives late:

- Before the register has closed will be marked as late, using the appropriate code
- After the register has closed will be marked as absent, using the appropriate code

Where the school identifies ongoing punctuality concerns, parental meetings will be arranged to help students overcome any barriers which may be preventing them from attending school and lessons on time.

4.5 Following up unexplained absence

Attendance Policy

Where any pupil we expect to attend school does not attend, or stops attending, without reason, the school will:

- Call the pupil's parent on the morning of the first day of unexplained absence to ascertain the reason. If the school cannot reach any of the pupil's emergency contacts, the school may send a SMS message or email.
- Identify whether the absence is approved or not
- Identify the correct attendance code to use and input it as soon as the reason for absence is ascertained – this will be no later than 5 working days after the session(s) for which the pupil was absent
- Call the parent on each day that the absence continues without explanation, to make sure proper safeguarding action is taken where necessary. If absence continues, the school will consider involving an education welfare officer
- Where relevant, report the unexplained absence to the pupil's youth offending team officer
- Where appropriate, offer support to the pupil and/or their parents to improve attendance
- Identify whether the pupil needs support from wider partners, as quickly as possible, and make the necessary referrals
- Where support is not appropriate, not successful, or not engaged with: a notice to improve, penalty notice, or other legal intervention (see section 5.2 below) may be issued.

4.6 Reporting to parents

The school will regularly inform parents (see definition of 'parent', as used in this policy, in the section 3.7 above) about the child's attendance and absence levels. Attendance is reported to parents formally 3 times in an academic year, through two progress reports and one full academic report.

Absence is reported to Senior Leadership Team on a daily basis. Telephone calls are made by the Attendance Officer to parents each day if no reason for absence has been provided followed up with a Truancy Call if unable to make contact. Letters, home visits and parental meetings are booked following several days of unauthorised absence. When students return attendance is monitored.

5. Authorised and unauthorised absence

5.1 Approval for term-time absence

The headteacher will allow pupils to be absent from the school site for certain educational activities, or to attend other schools or settings.

The headteacher will only grant a **leave of absence** to a pupil during term time if the request meets the specific circumstances set out in the [2024 school attendance regulations](#). These circumstances are:

- Taking part in a regulated performance, or regulated employment abroad
- Attending an interview
- Study leave
- A temporary, time-limited part-time timetable
- Exceptional circumstances

A leave of absence is granted at the headteacher's discretion, including the length of time the pupil is authorised to be absent for.

We define 'exceptional circumstances' as one off events which are unavoidable such as a legitimate medical reason or close family bereavements.

Leave of absence will not be granted for a pupil to take part in protest activity during school hours.

As a leave of absence will only be granted in exceptional circumstances, it is unlikely a leave of absence will be granted for the purposes of a family holiday.

Attendance Policy

The school considers each application for term-time absence individually, taking into account the specific facts, circumstances, and relevant background context behind the request.

Any request should be submitted as soon as it is anticipated and, where possible, at least 14 days before the absence, and in accordance with any leave of absence request form, which can be requested from the school office. The headteacher may require evidence to support any request for leave of absence.

Other valid reasons for **authorised absence** include (but are not limited to):

- Illness (including mental-health illness) and medical/dental appointments (see sections 4.2 and 4.3 for more detail)
- Religious observance – where the day is exclusively set apart for religious observance by the religious body to which the pupil's parent(s) belong(s). If necessary, the school will seek advice from the parent's religious body to confirm whether the day is set apart
- Parent(s) travelling for occupational purposes – this covers Roma, English and Welsh gypsies, Irish and Scottish travellers, showmen (fairground people) and circus people, bargees (occupational boat dwellers) and new travellers. Absence may be authorised only when a traveller family is known to be travelling for occupational purposes and has agreed this with the school, but it is not known whether the pupil is attending educational provision
- If the child is currently suspended or excluded from school (and no alternative provision has been made)
- Other reasons the school may allow a child to be absent from the school site, which are not classified as absences, include (but are not limited to):
 - Attending an offsite approved educational activity, sporting activity or visit or trip arranged by the school
 - Attending another school at which the pupil is also registered (dual registration)
 - Attending provision arranged by the local authority
 - Attending work experience
 - If there is any other unavoidable cause for the pupil not to attend school, such as disruption to travel caused by an emergency, a lack of access arrangements, or because the school premises are closed

5.2 Sanctions

Our school will make use of the full range of potential sanctions – including, but not limited to, those listed below – to tackle poor attendance. Decisions will be made on an individual, case-by-case basis.

Penalty notices

The headteacher (or someone authorised by them), local authority or the police can fine parents for the unauthorised absence of their child from school, where the child is of compulsory school age, by issuing a penalty notice.

If the school issues a penalty notice, it will check with the local authority before doing so and send it a copy of any penalty notice issued.

Before issuing a penalty notice, the school will consider the individual case, including:

- Whether the national threshold for considering a penalty notice has been met (10 sessions of unauthorised absence in a rolling period of 10 school weeks)
- Whether a penalty notice is the best available tool to improve attendance for that pupil
- Whether further support, a notice to improve or another legal intervention would be a more appropriate solution
- Whether any obligations that the school has under the Equality Act 2010 make issuing a penalty notice inappropriate

Each parent who is liable for the pupil's offence(s) can be issued with a penalty notice, but this will usually only be the parent/parents who allowed the absence.

Attendance Policy

The payment must be made directly to the local authority, regardless of who issues the notice. If the payment has not been made after 28 days, the local authority can decide whether to prosecute or withdraw the notice.

If issued with a **first** penalty notice, the parent must pay £80 within 21 days, or £160 within 28 days.

If a **second** penalty notice is issued to the same parent in respect of the same pupil, the parent must pay £160 if paid within 28 days.

A **third** penalty notice cannot be issued to the same parent in respect of the same child within 3 years of the date of the issue of the first penalty notice. In a case where the national threshold is met for a third time within those 3 years, alternative action will be taken instead.

A penalty notice may also be issued where parents allow their child to be present in a public place during school hours without reasonable justification, during the first 5 days of a suspension or exclusion (where the school has notified the parents that the pupil must not be present in a public place on that day). These penalty notices are not included in the National Framework, not subject to the same considerations about support being provided, and do not count towards the limit as part of the escalation process.

In these cases, the parent must pay £60 within 21 days, or £120.

Notices to improve

If the national threshold has been met and support is appropriate, but parents do not engage with offers of support, the school may offer a notice to improve to give parents a final chance to engage with support.

Notices to improve will be issued in line with processes set out in the local code of conduct for the local authority area in which the pupil attends school.

They will include:

- Details of the child's attendance record and of the offences
- The benefits of regular attendance and the duty of parents under [section 7 of the Education Act 1996](#)
- Details of the support provided so far
- Opportunities for further support, or to access previously provided support that was not engaged with
- A clear warning that a penalty notice may be issued if attendance doesn't improve within the improvement period, along with details of what sufficient improvement looks like, which will be decided on a case-by-case basis
- A clear time frame of between 3 and 6 weeks for the improvement period
- The grounds on which a penalty notice may be issued before the end of the improvement period

6. Strategies for promoting attendance

We use a variety of strategies to encourage attendance:

- Verbal encouragement and praise.
- Create personalised and achievable targets for pupils, based on their medical needs and on what is realistic and appropriate for each individual.
- Create safe places for pupils to thrive.
- Make decisions on targets in consultation with families, while understanding that a medical condition can worsen suddenly and taking account of this.
- Create opportunities for dialogue with families about attendance, ensuring that they work in partnership with parents.
- Use different methods to encourage attendance; for instance, explaining the links between attendance and outcomes.

Attendance Policy

- Raise the profile of attendance with families, particularly when pupils start at the setting.
- Teach and model a love of learning, helping families to see the value of the education that is offered.
- Look at the effect on attendance of decisions made at school level, for instance of ending terms on Mondays or Tuesday.

We recognise that not all children, particularly those who are most vulnerable, are able to achieve 100% attendance through no fault of their own. Every half term attendance is celebrated as part of the Rewards and Recognition assembly. Every student on roll has the opportunity to be rewarded through our rewards stairway model.

Each pupil is supported and encouraged to achieve their individual highest possible attendance. All pupils are set targets at 96% at the start of the academic year. These are reviewed individually as the year progresses. All students are involved in half termly Rewards and Recognition assemblies and therefore, there are a minimum of 6 opportunities per academic year for students to be rewarded.

Our Behaviour Policy (Including Rewards, Sanctions and Exclusions) sets out the detail of how we reward pupils for attendance and punctuality, and what sanctions we apply for lateness and truancy.

7. Supporting pupils who are absent or returning to school

7.1 Children absent due to complex barriers to attendance

Where a child is absent due to complex barriers the school will:

- Organise pastoral support meetings
- Put together Attendance Support Plans in conjunction with parents and the child.
- PTT – provision
- Look into LA approved attendance technology

7.2 Children absent due to mental or physical ill health or SEND

- Work with the family to understand the individual needs of the child.
- Work in partnership with parents to put together Attendance Support Plans.
- Organise pastoral support meetings
- PTT – provision
- Make use of school nursing services and mental health support where they are available.
- Where external support is provided work together with those services to deliver any subsequent support.
- Where a child has an education health and care (EHC) plan and their attendance falls, or the school becomes aware of barriers to attendance that related to the child's needs, the school will inform the local authority.

7.3 Pupils returning to school after a lengthy or unavoidable period of absence

Where a child is returning to school after a lengthy or unavoidable absence, a back-to-school meeting will be arranged with the pastoral team to discuss the return to school. Additional support and PTT provision will be considered to help the child make the transition back to school.

8. Attendance monitoring

8.1 Monitoring attendance

We recognise that early intervention can prevent poor attendance. We monitor attendance and punctuality throughout the year. We recognise that certain groups of pupils may be more at risk of poor attendance and will provide support and assistance wherever possible. The school will monitor attendance and absence data (including punctuality) half-termly, termly, and yearly across the school and at an individual pupil, year group and cohort level.

Attendance Policy

We set challenging attendance targets for whole school attendance.

Pupil level absence data is collected each term and published at national and local authority level through the DfE's school absence national statistics releases. We compare our attendance data to the national average and share this with our school governors. Specific measures are taken to monitor attendance at a school and trust wide level. These processes are embedded and regularly checked to ensure the effective safeguarding of all pupils through specific tailored interventions. Data on attendance is collected and analysed a minimum of once a half term. Key analysis is made of

- Patterns of absence
- Patterns of lateness
- Patterns of medical appointments
- Correct and consistent use of absence codes
- Trends in reasons for absence for example use of C code, leave of absence and exclusions
- Trends in particular groups (SEN, PP, vulnerable, ethnic groups, gender, year groups)
- The use of and impact of funding to support improving attendance of specific groups of people

Attendance data informs action planning and supports the identification of key priorities in our school development plan and future revisions of this policy.

Specific child information will be shared with the DfE on request.

On request the school is willing to grant the DfE access to its management information system so that data can be accessed regularly and securely. Data will be collected each term and published at national and local authority level through the DfE's school absence national statistics releases. The underlying school-level absence data is published alongside the national statistics.

The school will benchmark its attendance data at whole school, year group and cohort level against local, regional, and national levels to identify areas of focus for improvement and share this with the governing board.

8.2 Analysing attendance

The school will:

- Analyse attendance and absence data regularly to identify pupils, groups or cohorts that need additional support with their attendance, and
- Identify pupils whose absences may be a cause for concern, especially those who demonstrate patterns of persistent or severe absence
- Conduct thorough analysis of half-termly, termly, and full-year data to identify patterns and trends
- Look at historic and emerging patterns of attendance and absence, and then develop strategies to address these patterns

8.3 Using data to improve attendance

The school will:

- Develop targeted actions to address patterns of absence (of all severities) of individual pupils, groups, or cohorts that it has identified via data analysis
- Provide targeted support to the pupils it has identified whose absences may be a cause for concern, especially those who demonstrate patterns of persistent or severed absence, and their families (see section 8.4 below)
- Provide regular attendance reports to form tutors, to facilitate discussions with pupils and families, and to the governing board and school leaders (including special educational needs co-ordinator, designated safeguarding leads and pupil premium lead)

Attendance Policy

- Use data to monitor and evaluate the impact of any interventions put in place in order to modify them and inform future strategies
- Share information and work collaboratively with other schools in the area, local authorities, and other partners where a pupil's absence is at risk of becoming persistent or severe, including keeping them informed regarding specific pupils, where appropriate

8.4 Reducing persistent and severe absence

Persistent absence is where a pupil misses 10% or more of school, and severe absence is where a pupil misses 50% or more of school. Reducing persistent and severe absence is central to the school's strategy for improving attendance.

The school will:

- Use attendance data to find patterns and trends of persistent and severe absence
- Consider potential safeguarding issues and, where suspected or present, address them in line with Keeping Children Safe in Education
- Hold regular meetings with the parents of pupils who the school (and/or local authority) considers to be vulnerable or at risk of persistent or severe absence, or who are persistently or severely absent, to:
 - Discuss attendance and engagement at school
 - Listen, and understand barriers to attendance
 - Explain the help that is available
 - Explain the potential consequences of, and sanctions for, persistent and severe absence
 - Review any existing actions or interventions
- Provide access to wider support services to remove the barriers to attendance, in conjunction with the local authority, where relevant
- Consider alternative support that could be put in place to remove any barriers to attendance and re-engage these pupils. In doing so, the school will sensitively consider some of the reasons for absence
- Implement sanctions, where necessary (see section 5.2, above)

To communicate attendance concerns including unauthorised absences we also have a formal procedure which involves a series of letters:

New Academic Year Letter will be sent to any student that had an attendance below 92% in the previous academic year to remind them of the importance of attendance and outline or expectations for the new academic year.

Letter 1 will identify that your child's attendance is below 90%, notify the parent/carer that this figure needs to improve, and invite you to contact the school if you wish to discuss our concerns further.

Letter 2 will be issued if a child's attendance does not make satisfactory improvements or there have been further absences. This will ask for medical evidence and warn that if medical evidence is not forthcoming, future absences will be unauthorised. The letter will also invite parent/carer into school to discuss the matter with a representative of the school e.g. Attendance office, our Attendance Consultant (EWO), Assistant Head teacher for Behaviour, or Head of School.

Letter 3 will be issued if a student's attendance falls further or does not make satisfactory improvements - there are further absences. This will warn parents that this absence and future absence will be unauthorised unless medical evidence is provided. It will again invite parents/carers into school to discuss how this matter can be resolved. The Educational Welfare Officer will be contacted and will become involved in the case. It is school practice at this point for a request to be made for the Local Authority to support with statutory action.

We use a variety of strategies to encourage attendance:

Attendance Policy
