Salary

UK Average for this sector:
£35,450

Routes

You could move into related work like theatre set design, visual merchandising, or exhibition design. You can complete a degree in a relevant subject or get an apprenticeship. Experience is essential.

Related Careers

Architect
Set Designer
Graphic Design

Qualifications

You'll need a high level of design skill. Completing a higher education course in an art or design-related subject (like fine art, 3D design, spatial design, or interior architecture) will help. It is also useful to build up a portfolio of work.
