

## **Charges & Remission Guidance**

Version Number: **1.1**

Approved by Governors: **Spring 2016**

Due for review by: **Spring 2018**

Reviewer: **Business Manager**

Responsible Committee: **Finance, H&S and Premises**

## **BACKGROUND**

The aim of this guidance is to set out what charges will be levied for school activities, external lettings and extended school provision, what remissions will be implemented and the circumstances under which voluntary contributions will be requested from parents. Guidance is based on the Education Act 1996: Sections 449-462.

In order to meet the needs of all of our children we are actively working towards 'Dyslexia Friendly Schools status'. We believe that this will not only benefit children with dyslexic tendencies but will also have a significant impact on other pupils whose Literacy skills are not appropriate to their age, as strategies that are good for the dyslexic learner are good for everyone.
