

Friday 2nd May 2025

Dear Stakeholders,

Proposed Amendment to Admissions Arrangements for Academic Year 2025/26

We are writing to inform you of our intention to amend Kinver High School and Sixth Form's published admissions arrangements for the academic year 2025/26.

With a new Executive Leadership Team now in place at Invictus Education Trust, we have undertaken a comprehensive review of our admissions arrangements as part of our planning for the 2026/27 academic year. During this process, it became clear that the reference to "Invictus Sixth" in our current policy does not accurately reflect the Sixth Form provision at Kinver High School.

We have already consulted on the 2026/27 admissions arrangements to formally confirm that Sixth Form provision is managed directly by Kinver High School. This consultation has now concluded and received no negative feedback.

To ensure accuracy and consistency across our documentation, we are seeking to amend the 2025/26 admissions arrangements to remove reference to "Invictus Sixth" and to reflect that Kinver High School provides its own Sixth Form provision directly.

We believe this amendment will support transparency for prospective students and families and accurately reflect the current structure of our post-16 offer.

Should you have any questions or wish to discuss this further, please do not hesitate to get in touch via emailing governance@invictus.education, by no later than Friday 16th May 2025.

Yours sincerely,

Miss Michelle Jones
Director of Strategy and Governance
Invictus Education Trust
